

Serenity Blee

Serenity Blee has trained and danced from the start of walking with Absolute Dance, as well as numerous master instructors and prestigious summer programs including Colorado Ballet, Ballet Austin, Boston Ballet, Philadelphia Ballet, and Oklahoma City Ballet. Having grown up in a dance studio, alongside her mother, she has helped with summer camps and classes since the young age of 10 years. Serenity became an emergency sub at the age of 13 and started taking on classes of her own for the 2021-22 school year. She also had the opportunity to train alongside Grand Junction's professional company, Colorado West Performing Arts as a Trainee for two years before being given an official professional position. Her goal as an instructor is to inspire her students to grow and appreciate all that dance has to offer.
