

Patience Weir-

Patience Weir attended her first dance class at five years old with Absolute Dance. She returned to the studio after exploring other activities and realizing her passion for dance. She had the opportunity to perform as a flower, snowflake, and doll in The Nutcracker, as well as many other roles in other ballets. Her proudest role being Dorothy in Absolute Dance's production of Wizard of Oz the Musical. She began working summer camps at the age of fifteen and fell in love with teaching. She wants to thank Theresa for her constant support.
