Shyann Bertrand is a Grand Junction native. She started dancing at the age of 3 with Absolute Dance and continued with Inspire Dance Company and Western Colorado Dance Theater. She danced competitively and performed in lead roles in productions including Frost, Wizard of Oz, The Grinch, and Nutcracker. At 16 she started her teaching and choreography journey along with assisting directors in productions. After graduating high school, she continued her dance education at Colorado Mesa University where she graduated with a BA in Business Management and a minor in Dance. During her time at CMU, Shyann was active in the dance student club, Dance Society, where she attended the American College Dance Association and choreographed for the faculty dance concerts. As Dance Society President, in her senior year, she directed the student run dance concerts EMERGE, created events and fundraisers, and spread her joy for dance through the CMU campus. Shyann is excited for the next part of her dance journey teaching at Absolute Dance.
