

Ellianna Belmont

Ellianna grew up in Grand Junction, CO. She started dancing at the age of 8 at Absolute Dance, and stayed there until she graduated. While attending, she trained in all styles. At 14 she began assistant teaching and by 16, she taught her own ballet classes. She found a love and passion for teaching/choreographing! She became more involved at her school, choreographing 3 of her highschool's spring musicals, and choreographed for the show choir as well. Upon graduation, she attended Midland University (Fremont, NE) on a dance scholarship for 2 years. During her time there she was involved in musicals, the dance team, and Premier Dance Company, where she taught and choreographed with/for her peers. She also taught at a local studio in Iowa for 3 years, teaching all different styles to all ages. She moved to Big Sky in 2022 and joined Raison D'être Dance Project as a company dancer and instructor in 2024. She had the opportunity to do some backup dancing for local artists while she was there as well! She is happy to be back home in Grand Junction and teach at Absolute Dance once again!
