

Katie DeMarco

Katie grew up in the Grand Valley and began dancing at a young age. What started as a childhood activity quickly became a lifelong passion. As a former student of Ms. Theresa's, she trained in a variety of dance styles and participated in numerous master classes, workshops, and competitions that helped shape her as both a dancer and instructor.

Katie began teaching at Absolute Dance shortly after the studio first opened. After taking time away to focus on raising her three children, her passion for dance never faded. She continues to enjoy taking classes in a variety of styles and is thrilled to return to teaching. Katie looks forward to sharing her love of dance, inspiring confidence, and helping the next generation of dancers grow.
